Small moments of color and art for the home.

Colormatch: Mini Collection is a curated collection of small framed art cards (17 x 23 x 1.5 cm - outside) presented in 20 modern, trend-driven frame colors. Each piece is thoughtfully curated and framed in perfect harmony, allowing artwork and frame to merge into a vibrant and elegant expression.

Designed to inspire, mix and match, the collection offers your customers an affordable and stylish way to refresh their walls, shelves and gifting moments — making art both accessible and expressive.

The collection unfolds across five distinctive universes – Garden Glaze, Golden Hour, Berry Tones, Blue Mirage and Grounded Hues. Each has own unique character inviting you to create personal combinations that beautifully complement any interior style and mood.

Every frame is crafted from FSC®-certified wood (FSC® C186933), reflecting the collection's commitment to timeless design and sustainability.

The compact format opens up endless possibilities — from simple arrangements to dynamic compositions, where colors and expressions can be mixed and matched freely. Mini Collection is designed to inspire, surprise and add personality to any space — small artworks with a big impact.

“GROUNDED HUES”

Earthy, warm and timeless — Grounded Hues celebrates natural tones that bring a sense of calm and understated elegance into any space. This collection is inspired by organic textures, soft neutrals and tactile materials, creating a warm and balanced foundation for modern interiors.

The frame color palette begins with Mocha Brown, a warm, earthy tone that grounds the collection, moving gently into Desert Beige, a soft and versatile neutral that brings light and warmth. Dirty Rose adds a delicate, muted blush that softens the palette beautifully, while Liquorice, a deep and dramatic black, anchors the entire composition with refined contrast. Each frame is crafted from FSC®-certified wood (FSC® C186933) and perfectly matched to the artwork, creating a harmonious and timeless unity where color and expression meet.

Grounded Hues fits effortlessly into both minimalist spaces and more eclectic interiors. These tones bring warmth, structure and a sense of authenticity — a versatile palette that feels both classic and contemporary.

COLOR UNIVERSE

“GARDEN GLAZE”

Soft green hues come together in a collection where the calm and freshness of nature merge seamlessly with modern interiors. Garden Glaze is inspired by organic shapes, lush gardens, and the effortless feeling that arises when the outdoors flows into the home.

The frame color palette moves from the deep Dark Olive, bringing grounded strength and character, to Soft Matcha, radiating calm and balance with Peppermint, adding lightness and a touch of spring — all beautifully contrasted by Limoncello, a soft yellow with a hint of citrus that brings warmth and energy to the mix. Each frame is crafted from FSC®-certified wood (FSC® C186933) and perfectly matched to the artwork creating a harmonious and elegant unity where color and expression blend seamlessly.

Garden Glaze invites a sense of serenity and balance into any space — ideal for bright, Scandinavian interiors as well as darker, moodier rooms. Here, color is more than just decoration; it's a feeling that frames everyday life with freshness and quiet beauty.

COLORS OF THE SEASON

COLOR UNIVERSE

“BLUE MIRAGE”

Cool blue tones come together in a collection of calm, depth and refined aesthetics. Blue Mirage balances the clear with the dreamy — like the horizon over a still sea on a summer day. This universe is inspired by light reflections, open skies and the serene atmosphere of quiet coastal moments.

The frame colors unfold this cool palette beautifully from Midnight Teal, a deep and sophisticated blue-green with subtle intensity, to Classic Blue, timeless and elegant, softening into Icy Blue, an airy tone that brings lightness — all gently complemented by Cool Lavender, a delicate pastel that adds a modern, poetic touch. Each frame is crafted from FSC®-certified wood (FSC® C186933) and perfectly matched to the artwork, creating a harmonious and elegant unity where color and expression blend seamlessly.

Blue Mirage sets a tranquil, balanced tone in any room. These hues work beautifully in bright, Scandinavian spaces as well as in interiors with more dramatic contrasts. This collection brings a sense of clarity, elegance and poetic calm — like stepping into a quiet, endless sky.

THE PERFECT FINISHING TOUCH

The Colormatch Mini Collection is ideal when your gallery wall needs just one more detail to feel complete.

With its small format, matching colors, and artistic expression it fits seamlessly into any composition – creating harmony, depth, and a personal twist.

COLOR UNIVERSE

“BERRY TONES”

Rich, expressive and full of character — Berry Tones celebrates the intensity and warmth of deep reds, purples and pinks. This universe draws inspiration from ripe berries, velvety wine hues and vibrant sunsets, creating a bold yet elegant atmosphere that instantly transforms any wall into a statement.

The frame colors captures it beautifully from Aubergine, a deep and expressive purple with a dramatic edge, to Pinot Noir, a warm, wine-red full of depth and richness, unfolding into Sunset Red, a radiant tone that brings energy and vibrance — all softly balanced by Sugar Pink, a fresh pastel that adds a playful, uplifting contrast. Each frame is crafted from FSC®-certified wood (FSC® C186933) and perfectly matched to the artwork, creating a seamless and powerful harmony between color and expression.

Berry Tones is ideal for both minimal interiors that need a touch of warmth and character, and for spaces that already embrace bold, expressive styling. This universe brings vibrancy, warmth and artistic depth — a true celebration of color.

THE PERFECT PRESENT

COLOR UNIVERSE

“GOLDEN HOUR”

Radiant, warm and full of glow — Golden Hour captures the magical moment when the light turns soft and golden, casting a warm, inviting atmosphere across any space. The collection is inspired by the energy of sunlight, the elegance of golden tones, and the vibrant serenity of late afternoon light.

The frame colors reflect this warm spectrum from Yellow Pop, a soft and sunlit yellow that adds brightness and cheer, to Lemon Curry, a rich golden hue that radiates warmth, flowing into Orange Boost, an energetic orange that brings vibrancy to any wall — all beautifully grounded by Rust, a deep, earthy tone that adds depth and character to the mix. Each frame is crafted from FSC®-certified wood (FSC® C186933) and perfectly matched to the artwork, creating a seamless and elegant harmony between color and expression.

Golden Hour brings light and vitality into any home. These warm hues are ideal for adding contrast to cool, minimalist interiors or enhancing spaces that already embrace soft, natural tones. This universe radiates positivity and timeless warmth — like a gentle golden light captured on the wall.
